

**A WORLD  
OF NEWS  
STREAMED  
YOUR WAY**

**FLASH**

25+ NEWS CHANNELS, **1 PLACE**

# WELCOME TO FLASH

The future of news is here. Flash is the most convenient way to stay informed and connected across a range of sources, opinions and perspectives. Get access to 25+ news channels, streamed your way. Whether it's CNN International, Al Jazeera, Sky News, FOX News Channel, BBC World News or CNBC, you control your newsfeed and watch the news you want, when you want it. Stream live and on demand.

From world news to finance, sports, weather and more, Flash will revolutionise how you view your news. Curated by a team of news editors, you'll catch stories as they break and get to the heart of what really matters, faster. Get it all for \$8 per month, ready to stream on your favourite device. Plus, no lock-in contracts makes it easier and more affordable to stay up to date. New customers try 14 days free.

# GET FLASH ANYWHERE, ANYTIME

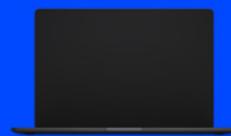

Flash is available on all your favourite devices. So whether you're at home or on the go, you can stream the news you want, how you want.

# FLASH FEATURES

It's never been easier to get to the news that matters to you.  
Take control and personalise your news experience with these features.

## FLASHLISTS

Create a list of stories to watch when you're ready or continue where you left off.

## PERSONALISATION

Take control of your news. Choose the channels and categories that interest you the most.

## SPLITVIEW

Watch the news from all angles with up to four channels on the same screen with selected devices.

## FLASHPOINT

Whatever story you're following, find every angle ready to watch all in the one place.

# NEWS FLASH

Get up to date on all the Aussie headlines with your daily News Flash, hosted by **Georgie Tunny**.

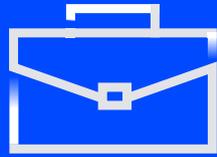

Georgie Tunny is an experienced TV presenter and the host of Flash's daily news updates. She was part of ABC News Breakfast's presenting team for four years, and is a regular host on Channel Ten's primetime news and current affairs program The Project.
